

Recommendation Certificate for the ProSciencia Aranyérem

Dear honorable members of the OTDK,

The german final year dentistry student Ole Klein has achieved a lot during his years at the Medical School of Pécs University and his research in the Department of Oral and Maxillofacial Surgery. As one of the few international members of the TDK he took part in the Local and National Student Research Conferences 2019 (házi TDK konferencia, Pécs és XXXIV. OTDK, Debrecen) and was both times awarded with the first place by introducing his Q1 publication.

Furthermore he won the Undergraduate Research Society Essay (Dékáni Pályamunka), received two times the award as the best german dental student with a current credit corrected index of 4,71, was awarded with a Certificate of Merit for his outstanding performance as a member of the Pécs Medical Basketball Team during several Medical Cups and was honored from institutes of our faculty as best in Anatomy, Histology, Neuroanatomy and Physiology. Besides University he is socially very involved and takes part in many organizations and events to help the intercultural communication between Hungarian and international students in Pécs.

Because of all these achievements I would like to recommend him for this incredible Award.

Yours sincerely,

Prof. Dr. Tibor Ertl
