
CONFIRMATION LETTER:

Chances of Diversity: Youth Initiatives and Peacebuilding in Eastern Europe

Dear applicant,

On behalf of the organizing team, we would like to let you know, that **you were selected** to take part in the Forum “Chances of Diversity: Youth Initiatives and Peacebuilding in Eastern Europe” between 28th October – 02nd November 2017 in Berlin, Germany!

For those requiring visas to Germany, you will be getting letters of invitation, which we will send to you. Please, make sure you filled in a valid postal address. In case something changed, write me a mail with the new address as soon as possible!

I kindly ask you to start making travel arrangements. The program will start on **Saturday 28th October at 6 pm** with dinner and a get-to-know-each-other at 7 pm and we will finish the program on **the 2nd November at 11 am**. Please arrange your travels so you can participate in the program from the beginning till the end. If you can't make it to the dinner on the first evening it is not a big deal.

As mentioned in the Call for Participants we will cover costs up to 275 € for participants from Ukraine, Republic Moldova, Belarus and Romania. For participants from Poland and Germany we will cover costs up to 180 €. The money will be reimbursed on the forum. So **please collect all your tickets including the boarding passes** and keep them for the travel reimbursement!!!

I would also ask you to let us know about your arrival time, so we can welcome you and show you the rooms.

Our venue will be the **Bildungsstätte der Sportjugend Berlin** (<http://sportjugend-berlin.de/angebote/bildungsstaette/>), an institution for non-formal education, where we will be living and where all our sessions and workshops take place. Unfortunately we can only provide you the accommodation during the forum. If you want to spend time in Berlin before or after the forum, you have to organize it on your own. But of course I can help out, if you have any questions about Berlin.

Regarding the program I can already tell you one point. Most of the evenings will be free for you! That means, that there is space for creative workshops and happenings

from your side. So if you are interested in giving a workshop or so, please let me know until the 15th October and send me a mail: timo.pfender@initiative-moe.de
You will get the full program in the following weeks!

On the 1st November, there will be the General Assembly of the network InMOE. It will take place the whole day and is open for all of you. At the assembly we will discuss the future in InMOE, elect the new board and give newcomers the chance to become more active in one of the biggest Civil Society network in Central and Eastern Europe.
