

INTERNSHIP CERTIFICATE

21 July 2020

To Whom it May Concern,

This is to confirm that Kristóf Pap is currently participating in the Global Sales and Contract Law Virtual Summer Internship taking place from 1 June 2020 to 30 August 2020, under our supervision. The internship consists in the research of legal information for analysis and inclusion in the 2nd Edition of the Global Sales and Contract Law book (GSCL) published by Oxford University Press.

The GSCL has been an invaluable source for practitioners, scholars and students. The GSCL is a truly comparative work on the domestic laws on contracts in over sixty countries, which also deals with uniform projects, like the UNIDROIT PICC, the PECL and the CISG.

This 2nd edition of the GSCL, however, would not be possible without the help of Mr. Pap. In particular, Mr. Pap assists us in the research and comparative analysis of statutes, court decisions, arbitral awards and documents relating to the law of contracts in different jurisdictions. The comparative law reports prepared by Mr. Pap reflect his high capacity for analytical thinking and ability to organize and express ideas clearly. We see great potential in Mr. Pap and encourage him to keep pursuing opportunities like this one to develop an international career.

Finally, this internship offered Mr. Pap the opportunity to learn and build up skills during a six-hour Masterclass on Comparative Law Research, the World Legal Families and Uniform International Commercial Law.

Sincerely,

Professor Dr. Ingeborg Schwenzer
Dean of the Swiss Interantional Law School

Professor Dr. Edgardo Muñoz
