Subject: Journal of Vibration and Control - Decision on Manuscript ID JVC-22-1086.R1

Body: 16-Apr-2023

Dear Mr. Haba:

It is a pleasure to accept your manuscript entitled "Continuous-time approach of sampled-data systems" in its current form for publication in the Journal of Vibration and Control. The comments of the reviewer(s) who reviewed your manuscript are included at the foot of this letter.

If you would like your article to be freely available online immediately upon publication (as some funding bodies now require), you can opt for it to be published under the SAGE Choice Scheme on payment of a publication fee. Please simply follow the link to the Contributor Agreement form in the next email and you will be able to access instructions and further information about this option within the online form.

Thank you for your fine contribution. On behalf of the Editors of the Journal of Vibration and Control, we look forward to your continued contributions to the Journal.

Sincerely,
Dr. Mohamed Trabia
Senior Editor, Journal of Vibration and Control
