

Sestri Levante, September 26th, 2022

Certificate of attendance

I hereby attest that

Kovács Sándor

attended in person the international conference PUMA2022 “Probing the universe with multi-messenger astrophysics”, presenting an original contribution in plenary session. The conference is organised by the Department of Physics of the University of Genova and INFN-Sezione di Genova, at Grand Hotel dei Castelli in Sestri Levante (GE), Italy. The conference lasts 5 days, from September 26th thru September 30th 2022.

Sincerely,

Prof. Silvano Tosi

chair of the scientific organising committee
