To:
Head of Erasmus Training
Office, Department of
International Relations
University of Medicine and Pharmacy of Targu
Mures Romania

Budapest, 25th of February, 2018

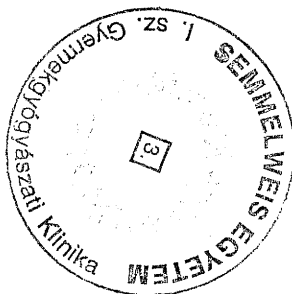

Dear Madam/Sir:

This is to certify that Ms Hanga Kelemen is invited by me to work at the First Department of Paediatrics, Semmelweis University, Budapest as a Visiting Student for a period of two months, starting on the 9th of July 2018 and ending on the 9th of September.

Ms Kelemen studies medicine at the University of Medicine and Pharmacy of Targu Mures. In terms of her Erasmus program, Ms Kelemen will visit our Department and will develop a greater insight into the practical manners of healthcare in the area of pediatrics. Besides its academical importance, this exchange program will also help Ms Kelemen to learn new techniques and concepts in our Department, which she can use during her future medical and scientific carrier.

Sincerely yours,

Dr. Attila Szabó
professor of paediatrics
