

Dear Dr. Simon,

I am pleased to inform you that your manuscript "Application of Intraoral scanner to identify monozygotic twins" (OHEA-D-20-00762R3) has been accepted for publication in **BMC Oral Health**.

If any final comments have been submitted from our reviewers or editors, these can be found at the foot of this email for your consideration.

Before publication, our production team will also check the format of your manuscript to ensure that it conforms to the standards of the journal. They will be in touch shortly to request any necessary changes, or to confirm that none are needed.

Articles in this journal may be held for a short period of time prior to publication.
If you have any concerns please contact the journal.

Please do not hesitate to contact us if you have any questions regarding your manuscript and I hope that you will consider **BMC Oral Health** again in the future.

If you wish to co-submit a data note to be published in **BMC Research Notes** (<https://bmcrnnotes.biomedcentral.com/about/introducing-data-notes>) you can do so by visiting our submission portal <http://www.editorialmanager.com/resn/>. Data notes support open data (<https://www.springernature.com/gp/open-research/open-data>) and help authors to comply with funder policies on data sharing. Please note that this additional service is entirely optional.

Best wishes,

Lauren McMillan
