Dear Dr Orbán,

We are pleased to inform you that we have received the manuscript "Abutting left atrial appendage and left superior pulmonary vein predicts recurrence of atrial fibrillation after point-by-point pulmonary vein isolation" to be considered for publication in Frontiers in Cardiovascular Medicine, section Cardiovascular Imaging.

You can access the review forum and track the progress of your manuscript using the following link:
<https://www.frontiersin.org/Journal/MySubmission.aspx?stage=100>

If you have already created a Frontiers account using a different email address, please add this one as a secondary email to your Frontiers profile following this link:

<https://loop.frontiersin.org/settings/email>

For any questions on the above, you can contact support@frontiersin.org

You will receive a notification as soon as the interactive review forum is activated and you receive access the review reports. You will then be able to interact directly with the reviewers in the interactive review forum and also re-submit a revised manuscript. If the required number of reviewers endorse your manuscript in the Independent Review stage, their tabs will be closed and the manuscript will be forwarded to the Review Finalized stage, where you will be able to interact with the handling editor via the Editor tab.

Best regards,

Your Frontiers in Cardiovascular Medicine team
