Grading of course follows two basic practices:

- 1) Pass or Fail
- 2) Applying the following grading scale:
 - 5 = excellent: outstanding performance with only minor errors
 - 4 = very good: above the average standard but with some errors
 - 3 = good: generally sound work with a number of notable errors
 - 2 = satisfactory: fair but with significant shortcomings
 - 1 = sufficient: performance meets the minimum criteria

The Swedish language course grants the proficiency required of civil servants in bilingual public agencies and organisations under Section 6 (1) of the Act on the Knowledge of Languages Required of Personnel in Public Bodies (424/2003). It is graded according to the following grading scale: good and fair.
