International Scientific Conference

“3rd Hungarian Polish Legal Conference: Legal Systems in a Constantly Transforming Environment)”

Eötvös Loránd University (Budapest), Hungary
Maria Curie-Skłodowska University (Lublin), Poland
Municipality of Town Balatonlelle, Hungary

7th October 2022

Abstract:

The COVID-19 pandemic and the Russian aggression against Ukraine have been major issues of the administrative systems of the world. Even the Polish and the Hungarian administrative systems and the public services have been influenced by these challenges. These issues have not been only a threat, but it has been even a challenge of the administrative systems, whose resiliency has been tested by these events and impacts. The Polish and Hungarian regulations – the general questions of the administrative systems, and the sectoral answers and solutions to these challenges will be examined. The conference will have comparative approach: two similar but even different Visegrád Country, Poland and Hungary will be compared.
