

ELTE

FACULTY OF EDUCATION
AND PSYCHOLOGY

CERTIFICATE OF PARTICIPATION

This is to certify that

Míra Vikár

has participated in a developmental psychology research study that aim to examine executive functioning, mentalization and decision-making involvement among parents and their adolescent children. From October 2023, she has generously volunteered 33 hours of her time and effort to support data collection from parent-child dyads.

3 June, 2024.

Barbara Németh

Project manager, PhD candidate

Brigitta Szabó

Project manager, PhD student
