Dear Bisha,

Your application stood out amongst an exceptional shortlist. We are delighted to offer you one of this year's Middle Eastern Scholarships to attend the **SUISS Modernism** course from the **7th - 19th July 2025**.

Please note that you were initially runner-up for our David Daiches Scholarship. We were so impressed with your application, we decided to also include it in the running for the Middle Eastern Scholarship, which is eligible to students from the Greater Middle East (this includes Pakistan, Tanzania, Turkey). I hope this is okay as we were keen to find a way to award you funding.

Our Academic Directors would like to emphasise the importance of the preparatory reading. We have found that advanced reading enables students to get the most from the course. The Reading List can be found at the following link:

Please find our Joining Instructions attached, which should answer most questions you might have about the course and accommodation. We suggest you print these out and read them carefully. We strongly recommend that you have adequate insurance to cover travel, health and personal belongings in case of a cancellation/ curtailment.

Should you require any additional nights at the Pollock Halls of Residence, I'd be happy to arrange this for you at an additional cost of £65 per night which includes breakfast and dinner. Please inform me as soon as possible as accommodation can fill up quickly over the summer months.

Please note that at the end of May/ early June, you will be sent instructions on how to register to use the university's online services, including LEARN, our virtual learning environment. Additionally, two weeks prior to your course start date, you will receive an Arrival Information email with detailed instructions regarding accommodation check-in and the welcome reception.

I would be very grateful if you could confirm your acceptance of this offer, so that I can begin issuing you with a visa sponsorship letter. Please do not hesitate to contact me with any questions.

We look forward to meeting you in Edinburgh this summer.

Very best wishes,

Lauren
