(1) Description of the institutional grading system:

The grades for each exam successfully passed can range from 18 to 30. In case of exceptional performance the grade is 30 cum laude. In some courses, the grade may be expressed instead as 'fail', 'sufficient', 'satisfactory', 'good', 'very good' or 'excellent'. For other courses and activities the positive assessment is not expressed in terms of a grade but simply as 'Pass'.

The statistical distribution of grades listed below is based on the results obtained in the last academic year by all students in all course units offered at University of Padova. According with the Ects Users' Guide, for each positive grade on the Italian scale, the actual percentage of students who obtained that grade is indicated.
