Further information for your participation

BADGING: Please present this registration confirmation (with the QR code) along with a valid government-issued photo ID at the badging desks in Geneva, Switzerland. More information regarding the badging location and opening times, and other logistical information, will be available on the [event website](#) closer to the event date. Please note that upon badge collection, a photograph will be taken and printed on the badge for access control security. As such, badges are strictly non-transferable.

ATTENDANCE: The Summit will take place at the International Conference Center Geneva (CICG) on [Rue de Varembe 17, 1202 Geneva, Switzerland](#). To facilitate event logistics, you may receive communication from us closer to the date requesting confirmation of your physical attendance in Geneva, Switzerland on 30 to 31 May 2024. If in the meantime your registration status changes (i.e., you are no longer able to attend), please let us know (ai@itu.int) as soon as possible.

CONNECT: Join the [Neural Network](#) and build your profile to enjoy the best AI for Good experience and benefit from networking with the +25K online members and +2.5K onsite participants during the event in May. Be sure to enter your favourite SDGs and take the Smart Matching Quiz to receive a customized programme of upcoming sessions and networking suggestions. Discover virtual exhibitions and 1000s of hours of on-demand content, in addition to weekly live sessions and interactive content. See you there!

Thank you for using the on-line registration system for ITU events. Please contact us at ai@itu.int for any question related to registration or badging.

With best regards,

AI for Good Registration Service

Note: This registration confirmation, together with your passport or an official photo ID card must be presented to the Badging Desk in order to receive your delegate badge.
