Dear Aniko,

I am delighted to inform you that our symposium on **Experimental Aesthetics** has been officially accepted by the TeaP 2025 conference committee. Thank you for your valuable contribution, which has made this possible!

The next step is for all contributors to upload their individual abstracts. Please note the following important details:

- **Deadline for abstract submission:** November 30, 2024.
- **Submission platform:** [TeaP 2025 Conference Website](#)

To submit your abstract, you will need to:

1. **Register and log in** to the conference website.
2. **Assign your abstract** to the correct symposium. Our symposium is titled: **Experimental Aesthetics**. If applicable, please also select the correct part (Part 1 or Part 2). Your abstract with the title "Aesthetic experience and artificial intelligence: Reflecting an example" is in Part 2.

Please ensure that your abstract is uploaded by the deadline, as abstracts submitted after November 30 will not be published in the proceedings.

If you have any questions or encounter any issues during the submission process, please don't hesitate to reach out to me.

Looking forward to seeing your contributions at TeaP 2025!

Best regards,

Selina Weiler
