

EUROPEAN SOCIETY OF
GENE & CELL THERAPY

ANNUAL MEMBERSHIP CERTIFICATE

The **E**uropean **S**ociety of **G**ene and **C**ell Therapy (**ESGCT**) promotes basic and clinical research in gene therapy, cell therapy and genetic vaccines by facilitating education, the exchange of information and technology, and by serving as a professional adviser to stakeholder communities and regulatory bodies in Europe.
Membership is annual, and runs to 31 December.

This is to certify that
Máté Kisgyörgy
University of Debrecen
held ESGCT Student Membership
