

Certificate

I, Boglárka Kovács, the undersigned President of the Medical Students' Association of Debrecen, hereby certify that **Kitti Kurtán**, a **5th year** student of the Faculty of General Medicine of the University of Debrecen, has been an active member of the Medical Students' Association of Debrecen (Debreceni Orvostanhallgatók Egyesülete, DOE) since **2019**.

Through their work, they have supported the events organised by our association and our charity activities.

Their community and prevention activities during their membership:

- Regular child health education at our Teddy Bear Hospital and Phonendoscope Stage programs.
- Presenting preventive lectures in high schools about health education in various topics.
- Active participation in the association's awareness campaigns and rallies on the occasion of WHO World Days.
- Blood pressure measurement, blood glucose measurement and BMI counting at our public screening events.
- Participation in the association's charitable activities and collections.
- Regular attendance at the association's horizon broadening, educational professional programmes and lectures.

Debrecen, **2024.03.18.**

Kovács Boglárka
