Dear Mr Tolvaj,

Congratulations!

We are delighted to inform you that your abstract has been accepted for presentation at **EACVI 2023 taking place from Wednesday 10 to Friday 12 May in Barcelona, Spain.**

All presenters are required to present their abstract(s) in person at the Congress at the scheduled day and time, as indicated on their agreement form(s).

After the congress, your abstract will be published in the online abstract supplement of the European Heart Journal - Cardiovascular Imaging; and both the abstract and the presentation will be available on **ESC365, the cardiology knowledge hub.**

NEXT STEPS -

Select and confirm abstract presenter's details upon receipt of this email – [here](#)

Full Link - <http://escol.escardio.org/MyESC/modules/congress/Abstract/default.aspx?eventID=1304>

Please sign in using your My ESC account (e-mail and password) – same account you used for submission-

You will be able to see the day and time of the presentation, as well as the format of the session your abstract has been accepted in.

In order to confirm the presentation, please assign and confirm the name of the presenter (must be one of the co-authors – no changes can be made to the authors list).

Please do so **upon receipt of this email and before Wednesday 1st March 2023** in order to allow sufficient time for presentation confirmation, preparation and upload; as well as to benefit from the early registration fee. [Please make sure to enter the valid email address of the presenter.](#)

As a next step, we will then contact the abstract presenter with further information and instructions.

We kindly remind you all presenters must upload and register to the congress by the deadlines shown on the agreement form.

Failure to upload and register by the set deadlines will lead to the withdrawal of the abstract from the Congress Programme and Publications (Abstract book supplement, ESC 365).

CONGRESS EDUCATIONAL GRANTS

We are pleased to inform you that you are eligible for a congress educational grant worth a free registration to attend EACVI 2023 congress.

- Only Presenters of accepted abstracts and/or clinical cases at EACVI 2023 will be eligible for a grant
- All applicants must be an EACVI Silver Member (Young & Allied) under the age of 40 or still in training
- Apply before 24 February (23:00 CET): https://escardio-community.force.com/esc_application_form?formid=a4G7T0000000d3d

Grant results will be announced by email early March. Should you have any questions, please send an email to

eacvicongress@escardio.org

We thank you for your valuable contribution to the programme. Make the most of having your abstract accepted at **EACVI 2023** by tweeting the good news - The hashtag to include in your tweets is #EACVI2023

Best regards,

Sent on behalf of

Professor Steffen E. Petersen

EACVI President, 2022–2024

Scientific Programme Chair, EACVI 2023
