Dear Dr. Ádám Szijártó,

Thank you for your submission to IMAGING.

Your manuscript entitled "A Machine Learning Framework for Performing Binary Classification on Tabular Biomedical Data" has been evaluated by the reviewers and the editors and we are pleased to inform you that it has been accepted for publication.

Your manuscript will now enter the production procedure and we will inform you regarding technical details in due course.

Thank you for submitting your work to IMAGING. We hope you consider us again for future submissions.

Kind regards,

Pál Maurovich Horvat, MD PhD MPH DSc

Editor-in-Chief
