Dear PhD Student!

Thank you for sending your abstract to Semmelweis Symposium 2022.

Based on the evaluation by the scientific committee, your abstract has been accepted for poster presentation.

Please, prepare your poster according to the following instructions:

Poster size: A0, 841 × 1189 mm

Poster type: printed on paper, standing form

Date of mounting the poster to the poster wall: 7.45-8.15 on 9 November 2022

Date of removal of the poster from the poster wall: 16.30-17.00 on 9 November 2022

Poster numbering: please, look for the number of your poster at the registration desk and mount your poster on the relevant poster wall.

Those whose posters are to be presented on Wednesday are advised to be available that day, as the winning posters will be presented in the afternoon. Information will be provided immediately following the poster evaluation committee's decision.

After the poster evaluation committee's decision, the authors of the best posters will be contacted every day to inform them that they will have to give a 3-minute presentation at the closing event.

The results will be announced on Wednesday 9 November at 15:30 at the Basic Medical Science Center of Semmelweis University.

This email is only sent to those who have to present their posters on Wednesday.

Please arrive on time so that your posters can be mounted also be available during the poster breaks and be prepared to give a verbal summary of the poster.

The programme of the event is attached.

If you have any questions, please contact us on sci.vicerektor@semmelweis-univ.hu

Thank you in advance!
