Field of "Lessons" contains / signs which separate the number of different classes in the semester. In case there are three elements in the field they show the number of lectures/practices/seminars. In case of four elements it shows the number of lectures and consultations /practices/seminars/labors.

Total number of credits: 279

Total credits approved by recognition: 0

Date: 11.04.2023

L.S.

dr. Baán Nóra

The grading system at our program is the following:

1) Signature: fail or pass; no grades are given and 0 credit point is allocated to the course/subject

2) For mid-semester grades (msg), exams and final exams the grades are:

1(fail) – with ECTS grade letter code „F” - the failing mark,

2(satisfactory) – with ECTS grade letter code „D” - the minimum passing mark,

3(average) – with ECTS grade letter code „C”,

4(good) – with ECTS grade letter code „B”,

5(excellent) – with ECTS grade letter code „A” - the maximum mark.

The credit points allocated to a given subject is granted when the student has obtained a passing mark.

Type of courses: obligatory, exam course (no contact classes, only exam possibility to complete an obligatory course), elective, optional, criterion requirement.
