OOR-AZV-S-T	Final Examination in Medical Hungarian	Signature	-	0	In progress		-

Number of credit points collected in semester: 0; Number of credit points registered in semester: 31; Weighted Average: 0; Credit Index: 0; Corrected Credit Index: 0; Cumulated Corrected Credit Index: 0

Field of "Lessons" contains / signs which separate the number of different classes in the semester. In case there are three elements in the field they show the number of lectures/practices/seminars. In case of four elements it shows the number of lectures and consultations /practices/seminars/laboratory.

Total number of credits: 278

Total credits approved by recognition: 0

Date: 06.02.2023

dr. Baán Nóra

The grading system at our program is the following:

- 1) Signature: fail or pass; no grades are given and 0 credit point is allocated to the course/subject
- 2) For mid-semester grades (msg), exams and final exams the grades are:

- 1(fail) – with ECTS grade letter code „F” - the failing mark,
- 2(satisfactory) – with ECTS grade letter code „D” - the minimum passing mark,
- 3(average) – with ECTS grade letter code „C”,
- 4(good) – with ECTS grade letter code „B”,
- 5(excellent) – with ECTS grade letter code „A” - the maximum mark.

The credit points allocated to a given subject is granted when the student has obtained a passing mark.

Type of courses: obligatory, exam course (no contact classes, only exam possibility to complete an obligatory course), elective, optional, criterion requirement.
