Dear Gabor Jevuczo,

On behalf of the Organizing and Program Committees, it gives me great pleasure to invite you to participate in the 19th IEEE International Conference on Control & Automation (IEEE ICCA 2025), which is to be held in Tallinn, Estonia, June 30th–July 3rd, 2025.

The conference is jointly organized by IEEE Singapore Control Systems Chapter and Hong Kong Centre for Logistics Robotics (HKCLR). It is technically sponsored by IEEE Control Systems Society, IEEE Estonia Section, and the Technical Committee on Control Theory (TCCT), Chinese Association of Automation. It aims to create a forum and gathering for scientists and practicing engineers worldwide to present the latest research findings and ideas in the areas of control and automation.

Your paper submitted to the ICCA 2025 has been accepted for oral presentation at the conference. As indicated in the notification email sent to you about your paper's acceptance, at least one author of your paper must attend the conference to present your paper. We hope that you will participate in this scientific meeting and help to make it a memorable event. Further information for the conference can be found at <http://www.ieeeicca.org>.

Acceptance of your paper for presentation does not, in any way, financially oblige either ICCA 2025 or the organizers for the expenses incurred by you to attend the conference. This letter is being sent to you for possible financial support from your institution. If you have any questions, please contact us.

Thank you in advance for your participation.

Sincerely,

Minyue Fu
