

Justification

of completing mentoring tasks in the Stipendium Hungaricum Mentor Network.

Undersigned Eszterhai Marcell, president of the National Union of Students in Hungary,
hereby certify the work of

Mónika Hamuth

for completing professional organising and community building task at Széchenyi István University since July 2023 until June 2024 to the Stipendium Hungaricum Mentor Network.

The Network's aim is to assist the integration of international students coming to Hungary with Stipendium Hungaricum Scholarship. By doing so it promotes the educational and diplomatic objectives of the Ministry of Foreign Affairs and Trade.

Fundamental tasks of our mentors:

- provide help during the enrolment period;
- assist the mentees in registering their subjects and exams;
- help the mentees in finding libraries and provide information about other opportunities that might help their education;
- help the mentees find an apartment or other forms of accommodation – if needed;
- provide information about regional and national events organised for students;
- provide detailed information about re-taking exams;
- keep in touch with the mentees by phone, on social media or in person;
- promote their integration;
- send monthly reports about these tasks to the given institutional leading mentor.

In the light of the above I give this certificate **Mónika Hamuth** for completing professional, organising and community building tasks in the Stipendium Hungaricum Mentor Network at the Széchenyi István University.
