

JUSTIFICATION

Arrieta Garcia Maria Margarita

Hungarian University of Agriculture and Life Sciences

has successfully completed professional, organizing, and community building tasks as part of the Stipendium Hungaricum Mentor Network in the 2024/2025 academic year.

The Stipendium Hungaricum Mentor Network aims to assist the integration of international students coming to Hungary with the Stipendium Hungaricum Scholarship. By doing so, it promotes the educational and diplomatic objectives of the Ministry of Foreign Affairs and Trade.

Key responsibilities of our mentors include:

- Providing assistance during the enrolment period
- Helping mentees register their subjects and exams
- Guiding mentees in finding libraries and informing them about educational opportunities
- Assisting mentees in finding accommodation if needed
- Providing information about regional and national events for students
- Offering detailed information about re-taking exams
- Maintaining contact with mentees via phone, social media, or in person
- Promoting the integration of mentees
- Submitting monthly reports on these activities to the institutional leading mentor

In recognition of these contributions, we hereby present this certificate to Arrieta Garcia Maria Margarita.

Date: 2025. 05. 07., Budapest
