SUBJECT:

INVITATION TO GET INVOLVED IN A two months RESEARCH PROJECT AS A VISITING POST GRADUATE STUDENT AT CHUKA UNIVERSITY

This letter is to invite you to come over to Chuka University from 21st February, 2025 to 23rd April, 2025 and participate in a collaborative research project entitled "*Soil Fauna: Ant Faunistics and Ecology*".

During your stay at Chuka University you will be required to undertake your post graduate research work in the context of the project stated above in collaboration and supervision of Dr. Jafford Njeru Rithaa, who is the Dean of the Faculty of Environmental Studies and Resources Development at Chuka University.

As an international graduate student you will be required to adhere to respective aspects of Kenya's law that govern your respective behaviour while conducting research in the country by obtaining a research permit/license from the National Commission for Science, Technology and Innovation (NACOSTI), which is mandated to regulate and oversee research initiatives in Kenya. Kindly get in touch with NACOSTI website and apply for your research license online as guided.

You will also be required to cater for your respective expenses and adhere to Chuka University Post Graduate students code of conduct and regulations for your seamless stay as its affiliate during your entire period of stay in Kenya.

Sincerely yours.

Prof Gilbert M. Nduru

Deputy Vice Chancellor (Academic, Research and Student Affairs)

& Professor of Environmental Studies

Chuka University

CC Vice Chancellor

Deputy Vice Chancellor (Administration, Planning and Development)

Director Research, Extension and Publication
