Ms. Csenge Papp
University of Pécs Medical School
7624 Pécs, Szigeti út 12
Hungary

Dear Ms. Csenge Papp,

Regarding your request to have a clinical training at the Faculty of Medicine, Prince of Songkla University, we are pleased to inform you that you have been accepted by the **Department of Orthopedics (Sport Medicine)** and the **Department of Surgery (Trauma Surgery)**, Faculty of Medicine, Prince of Songkla University. This acceptance entitles you to complete the clinical training from **1 - 26 July 2024**. The University holds no responsibilities on other associated/personal costs during the training.

Please kindly be informed that the candidate is required to follow the following guidelines.

1. The candidate's entry to Thailand must comply with the law and regulations of the Kingdom of Thailand.
2. Any costs related to the entry occurred will be the candidate's responsibilities.
3. It is the candidate's responsibilities to obtain the Non-Immigrant Education (Non-ED) visa.
4. If the candidate fails to enter Thailand, the training is invalid.
5. At the airport of arrival to Thailand, after clearing immigration, the candidate must check the granted period of stay. In case of any issue or concern related to the visa and granted period of stay, it is the candidate's responsibility to contact the immigration at the airport of arrival immediately. The University holds no responsibility for any immigration issues occurred.
6. Aside from the law and regulations of the Kingdom of Thailand, the candidate must comply with the local and the University regulations, measures, and guidelines.
7. The candidate is required to obtain health insurance which is valid during the stay in Thailand. The University holds no responsibility for your healthcare expenses during the training.
8. Under no circumstances will the University be held responsible or liable in any way for any claims, damages, losses, expenses, costs, or liabilities.

Sincerely yours,

Athithan

Asst. Prof. Athithan Rattanaburi, MD
Assistant Dean for International Affairs
Faculty of Medicine, Prince of Songkla University
