Dear Zombor Berezvai

It was nice to meet you here at York. Thank you for your paper entitled "Tax Overshifting in the Hungarian Beer Market", co-authored with Professor Barna Bakó. Your presentation at the 3rd Beeronomics Conference – The Economics of Beer and Brewing was very interesting and indeed highly appreciated by attendees.

Professor David Higgins, Chair of the Scientific Committee, and I wish to thank you once again for visiting us. We will look forward to hearing about the development of your research.

With very kind regards

Ignazio Cabras
