**Brief description of the proposed short term study program:**

My research area is the criminal responsibility of representatives of business entities, so the criminal compliance system in Hungary and in Germany. This is my topic of the Phd dissertation, too. the Hungarian Criminal Code contains relevant statutory definition since 2003. The Center for Criminal Compliance in Giessen deal with this theme, the member of team make some research in the praxis, and improve the legal theory too. According to my plan I would like to recognize the work of the compliance-group and I would like to search literature from German sciences literatures, articles, what I can only in Germany achieve. The cognition of the research method of the compliance-group can help me deep my researches, and I can use the German research instances in compliance-area for Hungarian law system.

Hereby I certify, that the above proposed Short Term Study Program is approved. Upon successful application to Campus Hungary Short Term Study Program, we are willing to receive the above mentioned student to complete the described activity. Upon completion of the planned activity, we will issue a Certificate of Attendance to the student. If his/her planned activity is rewarded by ECTS credits by our institution/university, we will also issue a Transcript of Records containing to the Student.
