DESCRIPTION OF THE INSTITUTIONAL GRADING SYSTEM:

All undergraduate modules are marked using one overall system, which runs from 0-100. Marks fall into different classes of performance as follows:

Honours marks:

First class	=	70% and above
Upper second class	=	60-69%
Lower second class	=	50-59%
Third class	=	40-49%
Fail	=	39% and less

ECTS GRADING SYSTEM:

ECTS Grade	% of successful students normally achieving the grade	Definition
A	10	EXCELLENT – outstanding performance with only minor errors
B	25	VERY GOOD – above the average standard but with some errors
C	30	GOOD - generally sound work with a number of notable errors
D	25	SATISFACTORY - fair but with significant shortcomings
E	10	SUFFICIENT - performance meets the minimum criteria
FX	-	FAIL - some more work required before the credit can be awarded
F	-	FAIL - considerable further work is required

To derive the ECTS grade we will take the percentage marks as a starting point and then scrutinise those on a borderline against the ECTS grade descriptors. The percentile band in which a student falls may also be taken into account in marginal cases.
