To the secretary of OTDT:

The Fish and Wildlife Conservation Commission, Fish and Wildlife Research Institute (FWC-FWRI) has extended an invitation to Edina Malmos, MS to participate in our Voluntary Work Program. She will participate in ongoing research including lab work and field work within the Fish and Wildlife Health Group in our research of Sport Fishes in the Gulf of Mexico and surrounding Florida Waters.

I hope that Edina Malmos, MS will be afforded the opportunity to share her expertise and knowledge with the FWC-FWRI and Fish and Wildlife Health Group as a visiting scientist. I look forward to her continued collaboration in our research endeavors.

Sincerely,
