Subject: JENI-D-15-00142 - accepted but needs final editing

To: attilapatocsb@gmail.com

Dear dr Patocs,

We are pleased to inform you that your submission **Circulating miRNAs as biomarkers for endocrine disorders** has been **accepted for publication** in Journal of Endocrinological Investigation.

However, before your paper can be forwarded to our Production Department, you are requested to make the corrections as suggested by Luigi Bartalena, M.D.

Please make sure to submit your editable source files (i. e. Word, TeX).

In order to submit your corrected manuscript, please access the following web site:

<http://jeni.edmgr.com/>

We look forward to receiving your final version of your manuscript.

With kind regards,

Luigi Bartalena, M.D.
Editor in Chief
Journal of Endocrinological Investigation

COMMENTS TO THE AUTHOR:

Reviewer #1: The Review is comprehensice and well written.

The reference list should better adhere to the instruction for Authors.

Editor: I would ask the authors to insert a table to summarize the more relevant MiRNAs expressed in endocrine tumors and the appropriate reference for that.
