Dear Dr. Gocza,

Your manuscript entitled "Examining the effect of combined inhibition of the differentiation pathways on development of in vitro cultured rabbit embryos and attached inner cell mass cells" has been successfully submitted online to Molecular Reproduction and Development. Once all of file and formatting details have been reviewed for compliance with the Author guidelines, your manuscript will be given full consideration for publication by the Editorial Board.

Your manuscript number is MRD-15-0116. Please mention this number in all future correspondence regarding this submission.

You can view the status of your manuscript at any time by checking your Author Center after logging into <https://mc.manuscriptcentral.com/mrd>. If you have difficulty using this site, please click the 'Get Help Now' link at the top right corner of the site.

Thank you for submitting your manuscript to Molecular Reproduction and Development.

Sincerely,  
Molecular Reproduction and Development Editorial Office
